

**WE  
MAKE  
PROCUREMENT  
SIMPLE!**

# SIMPLIFY PURCHASE-TO-PAY IN 12 WEEKS

Operational Procurement with SAP Ariba is easier than shopping on your favourite webstore. An easy shopping experience guides users to preferred suppliers.

Negotiated savings become actual savings, your Spend Under Management increases and your processing costs will drop. No training necessary.

This solution by SAP is designed to deliver quick time-to-value. It is a fast-track offering that comes with standard out-of-the-box content and best-practices, enabling a fast implementation. You will also benefit from quarterly innovations, such as Spot Buy.

**We deliver SAP consulting services specialized in optimizing your procurement processes.**
